Latest events around de.NBI

1st BioHackathon Germany

Lutherstadt Wittenberg - Leucorea
2022-08-23

12-16 December 2022

Projects	Co-Leads
MIAPPE Wizard: Enabling easy creation of MIAPPE-compliant ISA metadata for Plant Phenotyping Experiments (/de-nbi-events/2-uncategorised/1479-miappe-wizard-enabling-easy-creation-of-miappe-compliant-isa-metadata-for-plant-phenotyping-experiments)	Sebastian Beier (FZ Jülich) and Daniel Arend (IPK Gatersleben)
Extending the NFDI4Microbiota Knowledge Base (/de-nbi-events/2-uncategorised/1480-extending-the-nfdi4microbiota-knowledge-base)	Justine Vandendrope (ZB MED) and Kassian Kobert (Bielefeld University)
Mapping the training journey in Bioinformatics (/de-nbi-events/2-uncategorised/1482-mapping-the-training-journey-in-bioinformatics-and-beyond)	Lisanna Paladin (EMBL Heidelberg) and Pablo Mier (University of Mainz)
Establishing best practice guidelines for imaging-based spatially resolved transcriptomics data (/de-nbi-events/2-uncategorised/1481-establishing-workflows-for-the-analysis-of-spatial-transcriptomics-data)	Naveed Ishaque (Berlin Institute of Health at the Charité) and Louis Kümmerle (Helmholtz Center München)
(Bio)Schemas4NFDI, lightweight domain metadata (not only) for NFDI consortia (/de-nbi-events/2-uncategorised/1483-bio-schemas4nfdi-lightweight-domain-metadata-not-only-for-nfdi-consortia)	Steffen Neumann (IPB Halle) and Leyla Jael Castro (ZB MED)
Towards FAIR Computational Workflows - Improving Provenance Collection (/de-nbi-events/2-uncategorised/1484-towards-fair-computational-workflows-improving-provenance-collection)	Mahnoor Zulfiqar (University of Jena) and Kristian Peters (IPB Halle)
Interactive data analysis and visualization in the web browser (/de-nbi-events/2-uncategorised/1485-interactive-data-analysis-and-visualization-in-the-web-browser)	Asis Hallab (FZ Jülich) and Ata Ul Haleem (FZ Jülich)
DataPLANT - Facilitating Research Data Management to combat the reproducibility crisis (/de-nbi-events/2-uncategorised/1486-dataplant-facilitating-research-data-management-to-combat-the-reproducibility-crisis)	Elisa Senger (FZ Jülich) and Lukas Weil (TU Kaiserslautern)
The ELIXIR:GA4GH Cloud (/de-nbi-events/2-uncategorised/1487-the-elixir-ga4gh-cloud)	Alexander Kanitz (ELIXIR-CH)
Improving interoperability support for authoring, editing and conversion of mzTab-M for Lipidomics Tools (/de-nbi-events/2-uncategorised/1488-improving-interoperability-support-for-authoring-editing-and-conversion-of-mztab-m-for-lipidomics-tools)	Eduardo Jacobo Miranda Ackerman (MPI-CBG Dresden) and Daniel Krause (FZ Borstel)
Towards a minimum information checklist for biomedical research projects with sensitive human data (only remote) (/de-nbi-events/2-uncategorised/1489-towards-a-minimum-information-checklist-for-biomedical-research-projects-with-sensitive-human-data-only-remote)	Pinar Alper (ELIXIR-LU), Vilém Ded (ELIXIR-LU), Frédéric Erard (ELIXIR-CH) and Valérie Barbié (ELIXIR-CH)

Registration is closed. Deadline was 25.11.2022.

If you have additional questions, just contact us: contact@denbi.de (mailto:contact@denbi.de)

MONDAY 12 DECEMBER

|	
11:00 – 13:00	Arrival / registration
13:00	Lunch
13:00 – 15:00	Introduction and project presentations
15:00 – 15:30	Break
15:30 – 18:00	Hacking
18:30 – 20:00	Christmas Market Visit

TUESDAY 13 DECEMBER

9:00 – 12:00	Hacking
12:00 – 13:00	Lunch
13:00 – 13:15	Group photo
13:15 – 15:30	Hacking
15:30 – 16:00	Break
16:00 – 17:00 NEW TIME	Hacking
17:00 – 18:30 NEW ITEM	In the footsteps of Martin Luther – guided city tour of the historical old town of Wittenberg (UNESCO World Heritage Sites) in English
	Evening at free disposal

WEDNESDAY 14 DECEMBER

9:00 – 12:00	Hacking
12:00 – 13:00	Lunch
13:00 – 15:00	Mid-way reporting from projects
15:00 – 15:30	Break
15:30 – 18:00	Hacking
	Evening at free disposal

THURSDAY 15 DECEMBER

9:00 – 12:00	Hacking
12:00 – 13:00	Lunch
13:00 – 15:30	Hacking
15:30 – 16:00	Break
16:00 – 18:00	Hacking
20:00 – 00:00	After Hack Party

FRIDAY 16 DECEMBER

9:00 – 10:00	Hacking/Presentation preparation
10:00 – 12:00	Final reporting from projects
12:00 – 13:00	Lunch
13:00	Departure

EXPENSES AND FUNDING
Registration for the BioHackathon is free, however you will have to pay your own travel, food and accommodation expenses. de.NBI / ELIXIR Germany will pay accommodation expenses for two project instructors per accepted projects as well as lunch and drinks in the Leucorea.

CODE OF CONDUCT
The ELIXIR Germany Code of Conduct (/code-of-conduct) has been created so all participants at ELIXIR Germany events organized can interact with each other in a respectful and safe environment, and have avenues to turn to in case they believe there has been a breach to this Code of Conduct.

HOTELS IN WITTENBERG

Leucorea - Gästehaus

Collegienstraße 62
06886 Lutherstadt Wittenberg

www.brueckenkopf-hotel.de (http://www.brueckenkopf-hotel.de/de/startseite-brueckenkopf-hotel.html)

Travel information:

For travel we recommend to fly to Berlin (BER (https://ber.berlin-airport.de/en.html)) or to Leipzig-Halle (LEJ (https://www.leipzig-halle-airport.de/en/)), and use the train (Deutsche Bahn (http://reiseauskunft.bahn.de/bin/query2.exe/en?country=GBR)) to get to Lutherstadt Wittenberg (https://lutherstadt-wittenberg.de/en/) .

In case you are traveling from (or even only via) the UK, please make sure to inform yourself about any implication the Brexit announced for end-of-march may have on your travel. From the Lutherstadt Wittenberg train station it is 1000 m to the Leucorea (mailto:https://www.google.de/maps/dir/Lutherstadt+Wittenberg,+06886+Lutherstadt+Wittenberg /Stiftung+Leucorea,+Collegienstra%C3%9Fe +Lutherstadt+Wittenberg/@51.8658932,12.6514155,16z /am=t/data=!4m14!4m13!1m5!1m1!1s0x47a62fca351819ad:0x714e788350202077!2m2!1d12.6612158!2d51.8679425!1m5!1m1!1s0x47a62fc5ec468e15:0xc4d2b9d0bf9458f1!2m2!1d12.65037!2d51.86492!3e2) . Wittenberg also has a smaller second train station (Wittenberg Altstadtbahnhof), which is closer to the Leucorea but only served by local trains.

Make sure to NOT take a train to the city "Wittenberg**e**", which is 180km north of Lutherstadt Wittenberg and easily confused.
